

Product Specifications Sheet

HeartSine® Samaritan® 500P Semi-Auto Defibrillator

Part No
878007

<p>Semi-Automatic defibrillator with integrated CPR advisor Provides real-time verbal/visual feedback on the force & rate of the compressions
Highest level of protection from dust and water Most compact design weighing only 1.1kg 4-year electrode and battery life Automatic self testing Carry
case included</p>

Overview

The Samaritan® 500P utilises advanced technology to automatically assess patient differences, deliver shocks, and provide real-time verbal and visual feedback on the rate and force of the compressions. Lighter and smaller than other defibrillators (1.1kg), with carry case included. Uses easy-to-understand voice and visual prompts to guide the user throughout the process. One-button operation reduces any confusion. Device runs automatic weekly self checks. Flashing status indicator shows that the device is ready for use. 8 year Warranty.

Advisory Statements:

- call 000 immediately and ask for an ambulance if you suspect someone has had a sudden cardiac arrest; and
- an AED will only deliver a shock to a person with a shockable rhythm; and
- follow any verbal or visual prompts displayed on the AED until medical treatment arrives; and
- additional emergency treatment such as CPR and rescue breaths may be required until medical treatment arrives;

Specification

Unit of Measure	Each
Country of Manufacture	
Quantity	1
Brand	Heartsine
Shock Delivery	Semi automatic shock delivery
Defibrillator IP Rating	IP56 - Dust & Moisture
CPR Feedback Technology	Real-Time CPR Feedback
Battery Life	4 Years
Includes Pre-Connect Pads	Yes
Includes Pediatric Pads	Available
Performs Self-Test	Weekly
TGA Approved	Yes
CPR Coaching Type	Verbal, Visual Prompts & Real-Time CPR Feedback
Includes Carry Bag	Yes
Colour	White/Blue
Size	20 cm x 18.4 cm x 4.8 cm (H x L x W)
